The Graceful Lady Rosary Collection

Graceful Lady Rosaries are the creations of owner and artist Patricia Pastore. Each rosary is hand strung and pearl knotted onto bead cord. Natural stone and/or handmade glass is carefully chosen to complement the crucifix and center medal.

Rosary bracelets and one decade chaplets are a wonderful way to keep the rosary close at hand. Attention to the smallest detail insures each rosary is durable as it is beautiful. These creations are strung either on the finest bead wire or easy to wear stretch cord. Lovely varieties, for many prayer intentions, are available in the Graceful Lady Rosary Collection.

The mission of Graceful Lady Rosaries is to bring to market a collection of handcrafted prayer beads of distinctive artistic design and fine quality. These rosaries are made with a prayerful desire to introduce, rekindle, or enhance the prayer experience of the Holy Rosary.

Peace be with You . . .

“Peace with God,
Peace with my Neighbor,
Peace Among Nations”

is the inscription on this bronze antique cast crucifix. Brecciated Jasper nuggets speak the warm color of earth while Sodalite Paters raise our eyes to heaven.

Malachite beads and amethyst color handmade glass beautifully highlight a detailed lily crucifix and a floral bordered center medal. Antique pewter bead caps, green bead thread and purple seed beads complete this unique rosary.

The Graceful Lady Rosary Collection is an artful blend of traditional as well as contemporary rosary designs.

"Mary's Tears" is made of blue handmade glass beads accented with faceted glass bead Paters. The silver oxide brass crucifix and center are beautifully detail to be the perfect finish to these lovely prayer beads.

Red Flake Jasper Paters crowned with bead caps accent this green and yellow stone called Yellow "Turquoise". A large heart scroll crucifix and a floral bordered center complete this design.
